

**CONSTITUTIONAL
CARRY LOBBY
DAYMARCH 10, 2020**

**Constitutional Carry
Lobby Day**

Parking around the Capitol

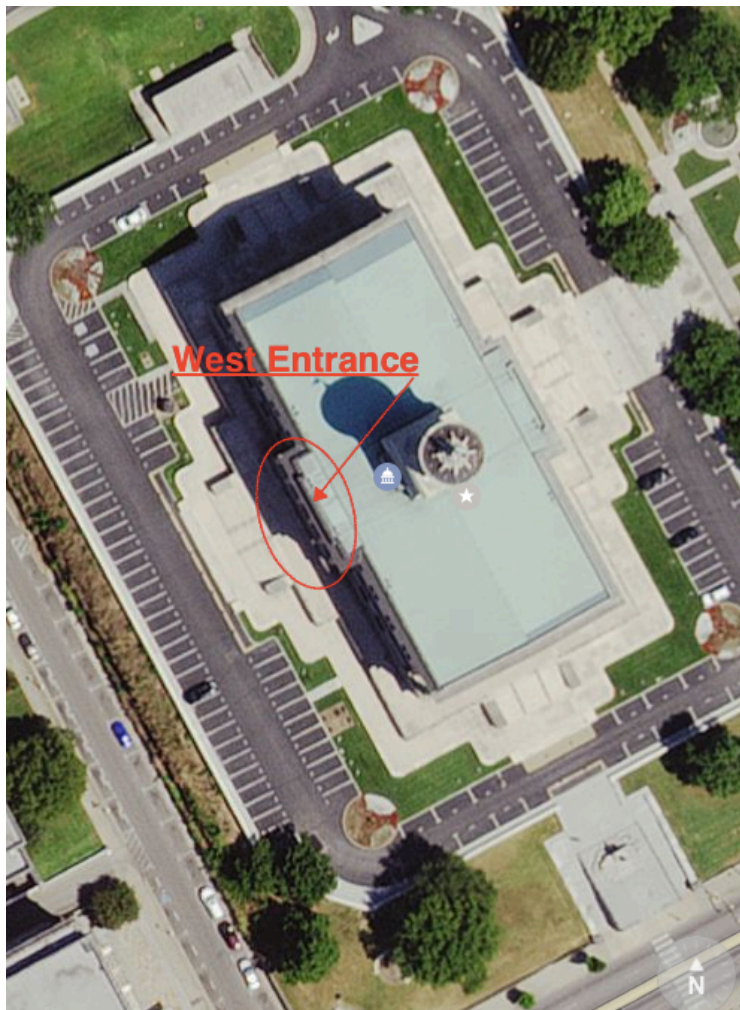

Individuals visiting the Capitol are asked to use the metered spaces around the complex or any of the public parking lots in the downtown area. Parking is not cheap, and meters may require a return trip to the meter to add time if you plan to remain from 9:00 till 2:00.

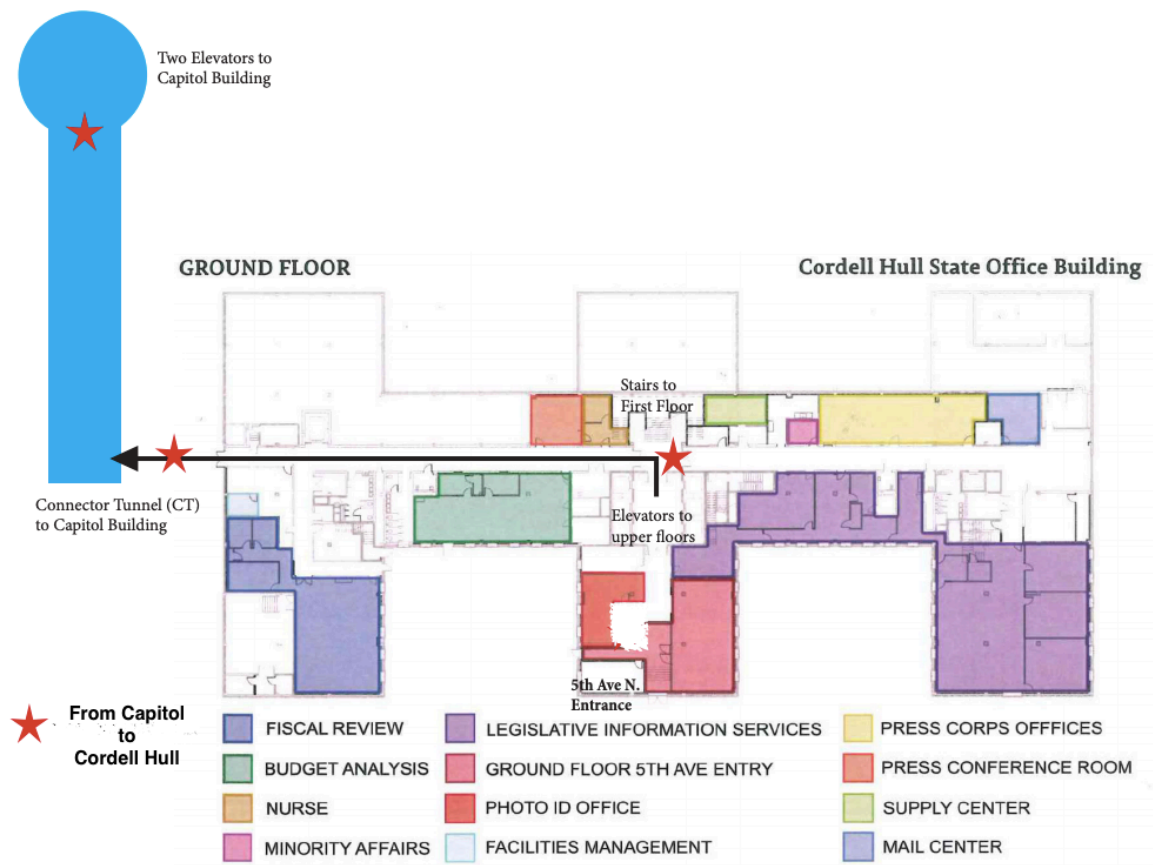

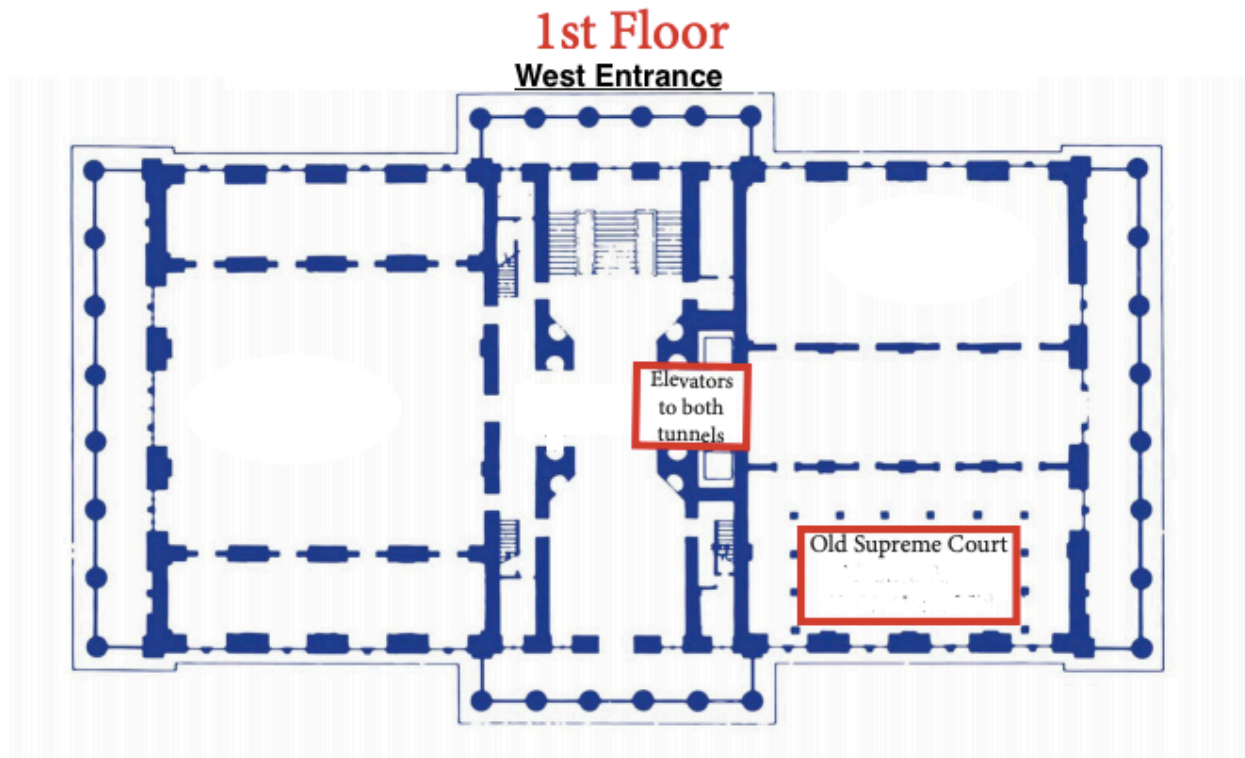

Accessing the Capitol

Visitors are asked to enter the Capitol using the West entrance. Visitors are required to pass through a metal detector and show photo identification when entering the building. Depending on the number of visitors and workers entering the building, entrance could be delayed. Please allow for that possibility. Registration and our Meet-and-Greet begins at 9:00 a.m. sharp. The Old Supreme Court Chamber is located at the northeast corner on the first story of the building. Pre-registration available at:

Upon completion of registration between 9:00 and 10:00 a.m. and brief statements by guest speakers, we will break into groups as we move to Cordell Hull. We are in the process of arranging appointments on your behalf to visit your representatives. Dependent on the Committee and Session schedule for the 10th (not yet set by Legislative schedulers) we may also attend hearings if any of our bills of interest are on an agenda.

If you are not familiar with who your Representatives are, or what District you reside in, please visit the interactive map to identify the appropriate individuals. We'll assign your appointment time when you register so that you have the chance to make your position known on the issues we are focused on this session.

You can find your House representative(s) here:
